

Summer JAM Success Story

Kayla Whaley

Kayla, a three-time Summer JAM champion, has been working at KC's Ice Cream for nearly two weeks now. Kayla says, "I love working at KC's Ice Cream, it's become such a happy place for me!"

Kayla primarily works in the kitchen: attends to scooping the ice cream, preparing hot food, and making sure the kitchen is stocked. This year, Kayla was very hesitant to participate in the Summer JAM program. She recently had gallbladder surgery and was nervous about COVID-19 and her possible worksite. However, Kayla's supervisor at KC Ice Cream has been very flexible and aware of Kayla's medical restrictions. Her supervisor says that Kayla has excelled this summer.

Kayla has been offered and accepted a position at KC's Ice Cream at the conclusion of the Summer JAM program.
