

Summer JAM Success Story

Ben Goode

Ben Goode is a repeat Summer JAM participant. Last year, Ben enjoyed his time in the program so much that he decided to return.

For two consecutive years, Ben has worked at the Corry YMCA; becoming his supervisor's "right hand man." Ben has shown initiative and drive this year; helping the new Summer JAM participants also at the Corry YMCA. Ben says he, "really enjoys working at the YMCA and all the people."

After the Summer JAM program, Ben will be enlisting in the Navy. He is thankful for the opportunities the Summer JAM program gave him.
