Our Mission

The mission of the ECRSSA is to provide support and services to transitioning clients through an intentional network of community and faith-based organizations in partnership with the criminal.

Who are Transitioning Clients?

- (1) are individuals released from federal, state or county prison re-entering Erie County after serving a sentence for a criminal conviction; and/or
- (2) people re-entering a law-abiding life from criminal network involvement.

Our Vision

Our vision is to support, empower and help transitioning clients fully integrate back into our community.

ECRSSA Provides Re-Entry Support

To those returning to Erie County from federal, state, or county incarceration:

- A one stop shop
- Case management and peer support for transitioning clients

ECRSSA is a Resource for:

- Point of contact and resource for the transitioning client, families and their support network.
- Provide direction and support in accessing and attaining community services, job training, employment, and housing needed to help the person achieve stability and accomplish a successful return to the community.

Employer Benefits When Working with the ECRSSA

ECRSSA can meet with your Human Resources department to learn what skills and abilities your business is seeking in a potential employee.

The transitioning client seeking employment has support and guidance from their case manager.

Many transitioning clients possess job and universal skills employers are seeking.

The Case Manager assists the client with interviewing techniques, creating a resume, and how to discuss their criminal record with a prospective employer.

Transitioning clients are a valuable population for the workforce.
