the responsibilities of both parties, the contract amount and how it must be drawn

down. The recipients must submit adequate documentation to support all requests for

funds associated with their contracts before payment is made. The agency also

conducts on-site fiscal monitoring of its recipients at least once a year, with the

exception of the organizations receiving On the Job Training Wage Reimbursements.

The OJT Wage contracts are very straightforward and the required documentation for

payment provides sufficient controls over these funds.

The consultant developed new salary structures, reviewed each position based on external market value and internal parity to develop recommended grading. The consultant then worked with the Executive Team to develop updated compensation procedures. Two compensation committees were established.
