Dear Friend:

Please join us for one of the most rewarding events of the year, GECAC's Benjamin Wiley & Walter Osborne Memorial Golf Classic.

Much like last year, the tournament promises to be a great day of relaxation and fun. We have already had a very strong response, and registration is underway.

Our past golf tournaments have been tremendously -successful because of the support of sponsors and golfers. We hope that you will consider joining us in 2024. -

Should you have any questions, feel free to contact Maureen Kennedy-Fink at mfink@gecac.org or 814-870-5416.

Happy putting,

Chief Executive Officer

PS. Please join us to raise money for our long-running classic, which brings golfers together to support aging, housing, education, and employment & income services for 20,000 low-income families throughout Erie County.
