Let's be healthy!

The GECAC Corry Senior Center, operated by Greater Erie Community Action Committee (GECAC), Area Agency on Aging, is funded in part by the Department Of Aging.

Dr. Benjamin Wilson, CEO

Ray Maholtz, AAA Division Manager

How do our contributions and fundraising dollars help our center?

Meal Contributions help to off-set the cost of the center meals. On average, the actual cost of the meal is over \$9.00. Meal contributions also help to maintain the building, maintain and/or replace a stove, a refrigerator or a freezer, if necessary. These dollars are vital to maintaining the Center and its daily operations.

Booster Contributions and Fundraising Dollars help to pay for our parties, entertainment, snacks and more. They also help to pay for programming opportunities, like exercise, craft classes, computer usage, and again, more. These dollars are vital to your programming options and enjoyment of the Center.

Contributions and Fundraisers are all voluntary; however, please continue to support your Center by whatever means you are able. The Centers and their services mean so much, to so many and your support goes a long way towards helping your Center continue to offer programming and services.

WI-FI is available FREE TO OUR SENIORS!!

Prior to using the WI-FI, members will need to sign the GECAC POLICY AGREEMENT .

SNAP/EBT (food stamps) can make online purchases and have delivered to their home, as per attached and same information below.

Resources For Online SNAP Purchases

In Pennsylvania, residents who receive SNAP/EBT are now able to buy SNAP eligible foods and drinks online through Walmart and Amazon. These benefits can also be used to buy plants and seeds to grow food at home. This is a great way to get the food if you lived in a food desert or are unable to make it to the nearest grocery store.

Extra Help

If you have received a letter stating that your Extra Help from Social Security has been or will be terminated, you may have received this in error. This past November the Low-Income Subsidy (LIS) data cleanup by CMS caused some confusion. Not only were beneficiaries told they were losing the Extra Help, but some were also receiving bills for Part D plan premiums, deductibles and copays backdated to the LIS termination date.

We have received further information regarding Extra Help where individuals were retroactively terminated, resulting in letters and sometimes bills.

CMS has released a memo to all Part D plans. In summary, the memo advises:

- The beneficiary LIS retroactive dates are a **direct, unanticipated consequence of government data systems being out of sync**. CMS is working through a resolution process with SSA.

CMS requests MA organizations and Part D sponsors **pause any collection efforts and continue to administer the Part D benefit with LIS-level premiums and cost-sharing** with respect to the affected beneficiaries until further CMS guidance is available.

Ultimately, **impacted beneficiaries will be held harmless** for retroactive premium and cost-sharing payments. This means impacted beneficiaries **do not owe the balances listed in plan statements received**.

Contact your local PA MEDI counselor, Rachael Price @ 814-664-2477 to make an appointment.
